

Accessing Google Meet for Classroom Livestreams

*Cloverport Independent School District
2020-2021*

Below is guidance for accessing Google Meet for classroom livestreams. Click on the hyperlinked headings for a brief video demonstration.

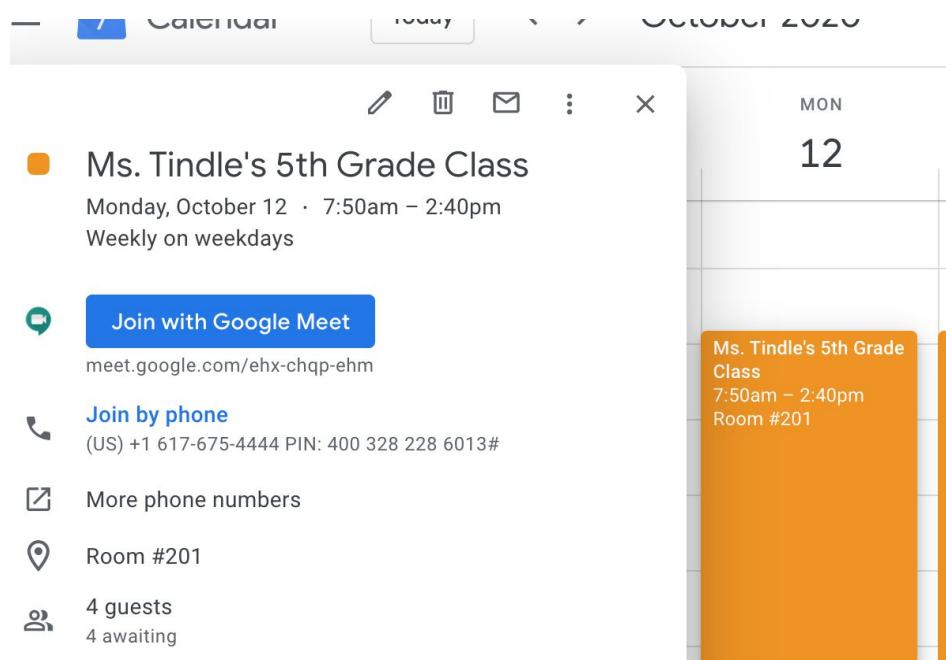

Google Meet Etiquette

Please adhere to these simple guidelines to help us ensure that livestreaming on Google Meet goes smoothly for all involved:

- Select a quiet, distraction free environment to work in
- Keep your Chromebook adequately charged
- Turn off your camera and mute your microphone when you are not speaking

[Elementary School Students](#)

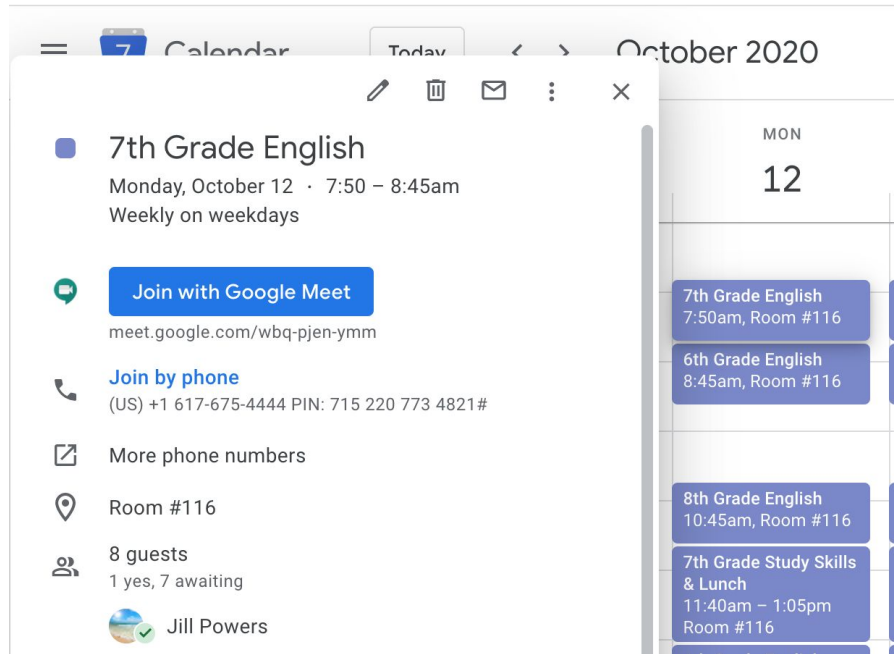

Students in kindergarten through 5th grades working at home will utilize Google Meet to access a livestream of their core classroom. Students are expected to use the “Join with Google Meet” button in the corresponding Google Calendar event (see example below) to access the appropriate Google Meet by the start of each class period.

Students in grades K-2 will continue to complete paper assignments for their special area classes (Art, Library, Music, and PE). Students in grades 3-5 will complete assignments for their special area classes in Google Classroom as they did before October 12th.

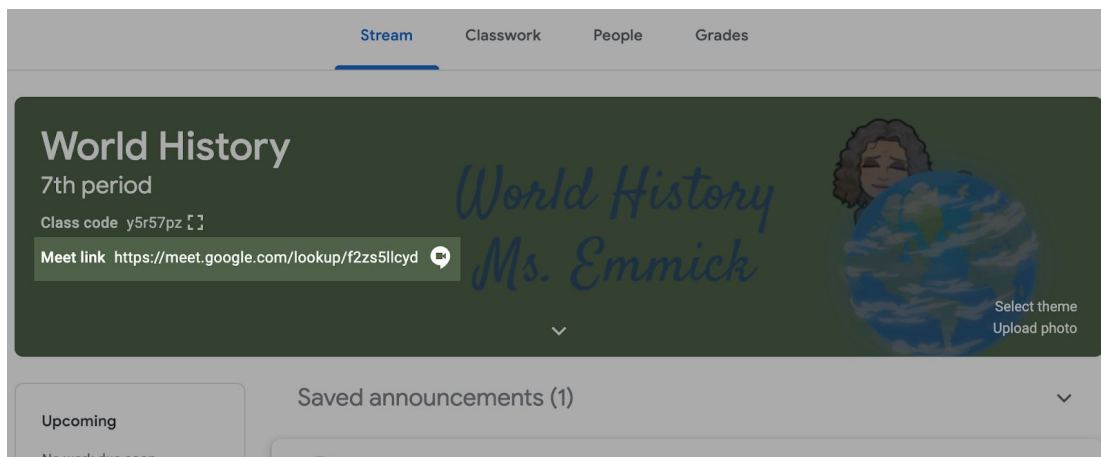

Middle School Students

Students in 6th through 8th grades working at home or in a satellite classroom will utilize Google Meet to access a livestream of their classes. Students are expected to use the “Join with Google Meet” button in the corresponding Google Calendar event (see example below) to access the appropriate Google Meet by the start of each class period.

High School Students

Students in 9th through 12th grades working at home or in a satellite classroom will utilize Google Meet to access a livestream of their classes. Students are expected to use the “meet link” in Google Classroom (see example below) to access the appropriate Google Meet by the start of each class period. The high school schedule is below for your convenience.
