Joe Lynn Thurman (Vice Chair)
Jessica Greenlee
Laura Sims
Christa Glenn

Keith Haynes
Superintendent

January 24, 2022

CISD Family,

I hope everyone is staying warm and healthy! I wanted to take a moment to touch base with you on a few things.

Missed Days

We have up to eight “snow days” this year that students are not required to makeup (we have used four so far). If we miss more than eight days due to weather, however, we will begin using Non-Traditional Instruction (NTI) days. Our last day of school for students currently remains Thursday, May 19th.

Please note that, by statute, days missed due to COVID-19 must be NTI days. We have not had any of these at this point in the school year. If we do, however, students in preschool through 3rd grade will complete paper-based assignments while 4th through 12th grade students will work electronically via Google Classroom.

COVID-19 Update

There are currently 7 staff members and 34 students in quarantine or isolation due to COVID-19. As has been the case nationwide, we have seen a steady increase in household contacts lately, so please continue using an abundance of caution to keep your families safe.

The Kentucky Department of Public Health updated its [guidance](#) for K-12 schools recently. The Cloverport Board of Education will review this guidance at its January 27th meeting and consider revising its [COVID-19 School Operations Plan](#). Please note that we continue to adhere to previous quarantine guidelines (10 days versus 5) and require all direct contacts to quarantine regardless of vaccination status. If you have questions about whether to quarantine, or when your child can return to school, please call us! Additionally, our universal mask mandate remains in effect.

If you have input on our operations plan, you may direct it to me (270-788-3388 x 113 or keith.haynes@cloverport.kyschools.us) or provide public comment at our board meeting at 5:30 on January 27th.

Respectfully,

Keith Haynes
